\*\*Note: Trinity Catholic Schools (Trinity) has limited resources to serve students with disabilities. We will make every effort to work with your child within the range of services Trinity can provide. New students who enroll at Trinity are required to begin with a probationary period. If necessary, after a nine-week period from enrollment (or sooner if need be), a meeting including the principal/dean of students and parents will be held to discuss how the student is adjusting to the new school setting, whether or not the student is demonstrating academic success, and whether or not the student is exhibiting behavior consistent with Trinity standards. In the event that a student does not show adequate progress during this probationary period, the student may be required to withdraw from Trinity.
